

## Table of WFUM Pools Stamps

### Introduction

The following is a listing of stamps for policies underwritten and/or administered by: Willis Faber (Underwriting Management) Limited (WFUM), Devonport Underwriting Agency Limited (DUAL) and Willis Faber & Dumas Limited (WF&D).

The stamps are shown by client type, ie. Non-Marine, Aviation and Marine and ordered within, by bureau / non-bureau reference.

Non-Bureau - The business underwritten on such stamps was not submitted via the bureaux (eg ILU and Lirma) but was originally dealt with on a direct basis (via a placing broker).

Should you wish to search for a particular company or stamp, please use the Search option by selecting the 'Ctrl & F' keys on your keyboard. This will identify text within the document but not text incorporated in the image of the stamp.

Searchable text includes:

- Bureau stamp code.
- Years in which the stamp was used.
- Current Stamp Company name.
- Name of company on stamp (in bold)

In order to use the search functionality within this section of the website version 6.0.2 of Adobe (18/05/04), or more recent, will be required

If you are using an earlier version, eg. Acrobat Reader version 5.1.0, you should liaise with your IT department in this matter; a download of the latest version may be accessed from within the FAQ (Frequently Asked Questions) section (Technical FAQ) of the WFUM Pools website. You may not be able to use the download without prior agreement from your IT department.

An alternative way around this problem is to click the mouse on this page, select the following keys on the keyboard: "Ctrl" and "A" to select all data, "Ctrl" and "C" to copy it and then paste the data into Microsoft Word by opening up Word and pressing "Ctrl" and "V". The search functionality within Microsoft Word should enable the ability to search for data required.
